Last Outing - Captain's Stew - Shedden's Landing - Tamboi

A disappointing roll up this year for what is normally one of our most popular calendar events, however, those that made the journey enjoyed a great weekend. Even though the wind was up on the lake, Tamboi, as usual was picture perfect, fully protected from the wind and with warm sunshine on the wharf all day. A nice big campfire each afternoon and night completed the scene and was enjoyed by all. Saturday afternoon saw the emergence of the camp ovens and preparations of the secret ingredients for the annual Captain's stew competition. As usual, helpful criticism was offered between participants and the fight for the best fire coals was on in earnest. After 4 hours of constructive advice which would have made Gordon Ramsey blush, the stews were removed and our esteemed judges, Christine Marko, Sandra Ryan and Margaret Coates (WHO SAID IT WAS IMPOSSIBLE FOR 3 WOMEN TO AGREE!!) lined up for the judging process. After a long deliberation process, in which they consumed half of the stews, the winner was announced and the winner was JOE MARKO. Congratulations Joe! The Ladies damper competition was deferred because of the early tide on Sunday morning.

Commodore's Advisory Letter

I wish to advise membership that at the upcoming Annual General Meeting in September, Secretary Eve and myself have decided that the time has arrived in our lives for us to stand down and not apply for re-election on the committee of the Myall Lakes Aquatic Club.

I have served in an executive position on the committee of our former clubs, the Myall Lakes Yacht Club, The Myall Boating Club, and the Myall Lakes Aquatic Club since its inception for approximately 20 years and Secretary Eve has served on the committee of the Myall Boating Club and now the Myall Lakes Aquatic Club as Secretary or Treasurer since its inception totalling 15 years. We feel that the time has arrived for new blood with the drive and passion required to take

the reins and steer our club into the future. Our passion to visit the lake will still continue.

Signed
