AGM and Christmas Party at Myall Shores

Saturday, 16 November 2019

Despite the threat of bush fires, a smoke haze and the closure of Myall Lakes National Park, 40 MLAC members gathered at Myall Shores for the club's AGM and Christmas party. To combine the two events was a new initiative this year.

We had a good mix of people coming by water and others arriving by road. Some were day-trippers, and others had booked on-site cabins for the weekend.

Friday night drinks and dinner at Myall Shores turned out to be a great night, despite the smoke haze.

On Saturday afternoon, members gathered in the function room of Myall Shores for the MLAC Annual General Meeting.

Then, the fun began . . .

For the Kris Kringle gift exchange, we played "dirty Santa" where members could steal gifts from other members. At the end of the game, all members were able to keep a gift.

Mac looks like he is up to no good here!

Acknowledgement must go to the catering ladies who provided us with a wonderful spread of nibbles to have with our pre-dinner drinks. I wish I had taken a photo of the healthy and tasty rainbow of food.

Myall Shores provided us with the main meal and desserts. Once again, there was plenty of tasty roast meats, vegetables, salads and desserts. Enough to stop the best of us!

Music for the evening was provided by Young Floyd. They did an awesome job of not only entertaining us with some great songs, but also getting everyone up onto the dance floor. That microphone certainly did the rounds of some "enthusiastic" singers.

A wonderful end to MLAC's year of events was finished off by the traditional Commodore's breakfast on Sunday morning.

The MLAC committee would like to thank all those members who have supported us throughout 2019, and we look forward to another year of fun on our fantastic local waterways.

See you on the Myall in the New Year . . .
