## Easter – Korsmans – April Outing - 2023

7-10 April 2023

Once again, the prevailing winds influenced our MLAC outing plans. Due to the wild, westerly wind the Progressive Easter trail around Myall Lakes ended up staying put at Korsmans Landing for the whole weekend. However, the wind didn't stop the traditional Good Friday fish and chips which were enjoyed by crews from June-e, Imagine, Santosha, Ampolla, Spray, Tri-relaxin', Harmony, Calypso, Independence and a few members who travelled by road.

With the real Commodore back, the huddle began on time! Members were updated on the last MLAC outing, a small but fun event at Tait's; the recent crowd drawing launch of the 52-foot catamaran built in Tea Gardens; and the progress on The Prawn with repairs to dry rot in the transom and coamings underway.

Post Huddle, Geoff and Shorty prepared the 'loaves and fishes' for the crowd as they caught up and munched on Linda and Wendy's snacks and John's wonderful oysters. The fish and chips were a real treat and finished off nicely with Heidi's delicious deserts. It wasn't a late night but certainly an enjoyable one. A big thanks to all involved in the preparation.

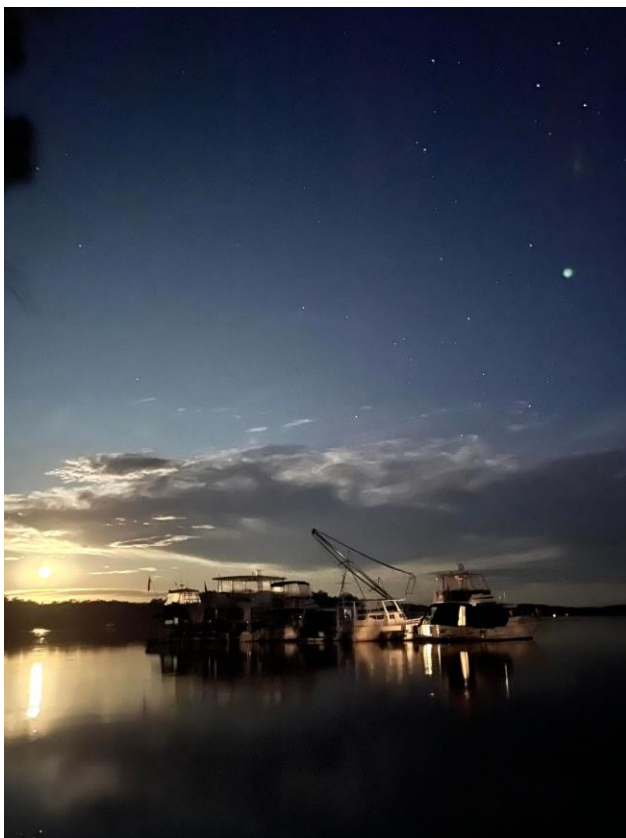

The following morning Captains consulted and the decision was made to stay put. After packing up the marquee, morning tea was held on Santosha, followed by some relaxation and Finska on shore in the afternoon. Easter Sunday saw a few early departures and a redo of Saturday - morning tea, relaxing and Finska on shore again, with Bobcat joining us for the game. Paul was the Finska champion after being in the winning team both days.

Another successful outing comes to an end with the group dispersing and most heading down the river mid-morning on Monday. An enjoyable long weekend, tucked away from the worst of the wind, was had by all. See you at the next outing!

HAPPY  
Easter
